Bixi

BIXI is Montréal's new public self-serve bike-sharing system. With 300 docking stations in six city districts, this innovative program will make nearly 3000 bicycles available to Montrealers for short trips between April and mid-November.

Astral Out-of-Home is proud to partner with BIXI to create this new green and sustainable urban advertising network. BIXI offers advertisers 200 advertising faces in the heart of the city, with more than 75% located in downtown Montréal.
