## Scrolling Transit Shelter

Astral Out-of-Home has strategically selected 24 of its Toronto Transit Shelter locations to form a citywide network of 72 scrolling faces guaranteed to make drivers and pedestrians look three times!

Concentrated along some of the city's busiest streets such as Yonge, Queen and Bay, as well as Eglinton Avenue, the Scrolling Transit Shelters are in close proximity to some of the city's trendiest and most affluent neighbourhoods such as Yorkville, Forest Hill and Yonge and Eglinton, and on the doorsteps of prominent landmarks like the Eaton Centre, Queen Street West and the Financial District.
